

- The death of his grandfather, with whom he spent his whole childhood, had a negative impact on the child's mind.. From the age of 12 he started to smoke, to drink alcohol. After his parents divorced when he was 15 years old, he began to use drugs and was soon expelled from school. Soon he found another passion - music. Also Depp is interested in literature, and one of his favorite authors is Jack Kerouac whose work strongly influenced the perception of johnny in adolescence.
