WordPress 3.5 Release Candidate November 22, 2012

The first release candidate for WordPress 3.5 is now available. We hope to ship WordPress 3.5 in two weeks. But to do that, we need your help! If you haven't tested 3.5 yet, there's no time like the present. (The oftrepeated warning: Please, not on a live site, unless you're adventurous.) Think you've found a [...]

WordPress 3.5 Beta 3 November 12, 2012

The third beta release of WordPress 3.5 is now available for download and testing. Hey, developers! We expect to WordPress 3.5 to be ready in just a few short weeks. Please, please test your plugins and themes against beta 3. Media management has been rewritten, and we've taken great pains to ensure most plugins will work the [...]
