Электронный учебный модуль

The screenshot shows a web browser window with the URL `http://bgu/index.php?chLevel=2&profile=teacher#`. The page title is "Образовательный портал". On the left, there is a sidebar menu for "eLearning Server" with a user profile for "Петров" and a "Меню" section containing items like "курсы", "модули курсов", "расписание", "результаты", "назначения", and "настройки". The main content area features a video player titled "Видеотрансляция — Наталья Федоровна Муравьева" showing a woman at a desk. Below the video is a "План мероприятия" (Event Plan) with a list of topics: "Квадратные уравнения", "Квадраты суммы и разности", "Дискриминант", "Решение квадратных уравнений", and "Системы квадратных уравнений". There is also an "Аудиотрансляция" (Audio Broadcast) section for "Иван Петров" and a "Участники" (Participants) list.

Индивидуальное расписание обучения

The screenshot displays a digital physics laboratory interface titled "Графическая доска" (Graphical Board). It features a central simulation of a spring-mass system with a vertical spring, a mass, and a ruler. To the right, there is a graph showing a green sine wave on a grid. Below the graph is a control panel with "МАСШТАБ" (Scale) and "НАВИГАЦИЯ" (Navigation) buttons, and a digital display showing the number "4". At the bottom, there is a chat window with text from "Сергей Макушин" and "Иван Петров".
