Какие гласные буквы командуют твердыми согласными звуками, какие- мягкими согласными звуками?

The diagram illustrates the classification of vowels into two groups based on their hardness or softness. It consists of two horizontal rows within a light gray rectangular frame. The top row features a blue square on the left, followed by five white boxes containing the Cyrillic vowels 'а', 'о', 'у', 'ы', and 'э' in red. The bottom row features a green square on the left, followed by five white boxes containing the Cyrillic vowels 'я', 'ё', 'ю', 'и', and 'е' in red. Below each row is a thick gray horizontal bar.

а	о	у	ы	э
я	ё	ю	и	е
