

An iceberg floating in a blue ocean under a blue sky with white clouds. The tip of the iceberg is above the water, and the much larger part is submerged. The word "EVERYTHING!" is written in large, bold, grey letters across the top of the iceberg. The iceberg is divided into three horizontal sections by green lines. The top section is above the water, the middle section is just below the surface, and the bottom section is deep underwater. The text for each section is color-coded: red for the top section, green for the middle section, and white for the bottom section.
