

Legal Employment: Post 2008 Financial crisis

The Recent Past: Declining Opportunities

Employment for New Law School Grads

(National Association of Legal Placement)

The Future Looks Grim

In **2012**, the Bureau of Labor Statistics estimated **73,600 openings** for legal jobs from **2010** through **2020**.

Another prediction concluded that through **2015** the number of new attorneys passing the bar exam would be **twice the expected number of openings**.
